

## Attention: Non Union (Non AFTRA/SAG) Performers

The Pittsburgh AFTRA office is inviting all performers in our region who are **not** members of AFTRA or SAG but who audition for off-camera or on-camera work, to take a quick and confidential survey, on-line at:

<http://pittsburgh.nonunionsurvey.com>

The survey will help the union understand the perceptions non-members have toward AFTRA and how they can make membership and benefits more attractive. It will give performers a special chance to ask questions about union membership.

We encourage you to take the survey and to tell other non-union performers about it.

If you have any questions, please contact the AFTRA office at 412 281 6767. Thanks.
