

An open invitation to all AFTRA members and friends:

We need your body (and your soul as well)!

Get on the Pittsburgh AFTRA van next **Friday, February 23** as we travel to Harrisburg to attend a public hearing on Media Consolidation conducted by the Federal Communications Commission. AFTRA national staff and officers will be testifying about the urgent need to keep and strengthen regulations prohibiting further monopolies in broadcast ownership.

Help us defend live and local news and programming!

We'll meet to leave at 6:00 am and return by 7:00 pm that night. Transportation, lunch, and good will provided by your favorite union.

Call or e-mail Nancy (nbarron@aftra.com) today to reserve your seat!

John Haer, Executive Director
